JOIN US TODAY!

ST. NICHOLAS MEN'S SOCIETY is a St. George based men's philanthropic and social group that assists the church and parishioners in times of need through membership dues and donations and gathers together for fellowship. Our membership is open to male members of St. George Orthodox Christian Church.

100% of membership dues go back to serve our community and we begin each year with a zero balance. **Dues are what drive our ability to contribute to our community needs.**
